

**OVERVIEW:** Determine quantities of pandemic supplies needed by staff and prepare order with Penn State General Stores via [Penn State eBuy](#). Please [contact EHS](#) with any questions.

The following are the standard pandemic supplies required:

- **Cloth Masks:** 2 per person
- **Disinfectants:** Work units need to provide disinfectants for shared workspaces/areas
- **Hand sanitizer:** Required if work activities are in areas without access to restrooms for regular hand washing.
